Persistent Absence (PA) Threshold Information

From 1st September 2015 the Government has announced that the persistent absent (PA) threshold criteria will be reduced from 15% to 10%.

A pupil becomes a 'persistent absentee' when he/she misses 10% or more of schooling across the school year for whatever reason. The table below simplifies this criterion:

TERMS	Persistent Absence 10%
Term 1	4 ½ days or more
Term 1 & 2	7 days or more
Term 1, 2 & 3	10 days or more
Term 1, 2, 3 & 4	12 ½ days or more
Term 1, 2, 3, 4 & 5	15 ½ days or more
Term 1, 2, 3, 4, 5 & 6	19 days or more

Facts:

- Minimum attendance of 96% (10 days absence per year) means that during primary years the child will miss more than **a term** of education. □
- If attendance is between 90-96% (10-20 days absence per year) it means that during primary years the child will miss **2 or more** terms of education. □
- If attendance is between 85-90% (20-30 days absence per year) it means that during primary years the child will miss **over a year** of education. □

- Pupils who miss **more than 50%** of school, only 3% manage to achieve five A* to C GCSE grades including English and Maths. □
- Pupils who miss **between 10% and 20%** of school only 35% manage to achieve five A* to C GCSE grades including English and Maths. □
- Pupils who miss **less than 5%** of school 73% manage to achieve five A* to C GCSE grades including English and Maths.

As a school we will monitor all absence thoroughly. Any case that is seen to have reached the PA mark or is at risk of moving towards that mark is given priority and you will be informed of this immediately.

All cases of persistent absence are also automatically made known to the Attendance and Behaviour Officer (ABO).
