Pupil Journal

John Perry is the best school because we celebrate a lot of things for charity like bad hair day. It is really fun because you can mess up your hair and go to school like that.

By **Stephanie, Eniola, Ella and Ruby (Year 4)**

In class we have been learning about healthy snacks. We are going to be making biscuits. Miss Bennett told us about where we are going to make them and sell them. In class, we were writing about what we were going to put in them. That is called the ingredients.

SLT News

I would like to thank all our parents and carers who attended the Anti-bullying and E-Safety 'Stay and Learn' sessions this week. We also had our Parent-Teacher consultations on Wednesday and Thursday evening. It's good to see the strong partnership that the school has with you and the interest that you take in your children's learning. Thank you to those parents who completed the online questionnaire - your views about the school are very important. Once we have read all your responses, we will address any concerns that you may have. The Year 6 children returned from their week-long residential trip in Wales. I hope you have had the chance to see the photos on our website. Yr6 children will be writing about their residential trip in next week's journal. We had lots of fun on Friday, dressing up in spots for Children in Need. See the website for all our photos. We will let you know how much money we raised in the next issue. This week has been a good week for attendance with almost all classes reaching and beating our target of 96% attendance. Well done to class **6 Italy (6I)** with the best attendance this week. Our overall attendance is also slightly above our target. Thank you to all the parents and children for this effort.
