

Nursery Spring Term 1

Communication and Language	In nursery this half term we will play speaking and listening games and will develop our vocabulary. We will ask questions about our surroundings and will also practise speaking in full sentences. We will learn to follow two part instructions.
Physical Development	We will develop our fine motor skills by doing up our own zips and buttons. We will explore different ways of moving in the garden. We will learn to use equipment such as hoops and bean bags. We will also practise using scissors correctly and safely.
Personal, Social and Emotional Development	To develop our social skills we will practise sharing and taking turns and expressing our needs appropriately. We will show an awareness of others' feelings. We will learn to concentrate for longer periods. This half term we will also learn about babies and their needs and we will play in the role play hospital.
Literacy	In reading, we will talk about our favourite stories and describe events and characters. We will read new stories and make predictions about what might happen next. We will use mark making materials and talk about what we have written or drawn.
Mathematics	In maths we will be using language related to size e.g. tall, short, long. We will look for numbers in the environment. We will make marks to represent numbers. We will count forwards and back.
Understanding the World	We will look at our baby photos and compare similarities and differences. We will celebrate Chinese New Year and cook tasty, healthy food. We will explore using our senses in smelling and tasting activities.
Expressive Arts and Design	In expressive arts and design we will draw self-portraits using mirrors, make faces using skin coloured dough, learn new songs and lots more!

If you would like more details please talk to your child's class teacher
