

Welcome to
**John Perry
Nursery School**

This is the nursery entrance.
It is where we come into
nursery.

We hang our coats on our
pegs.

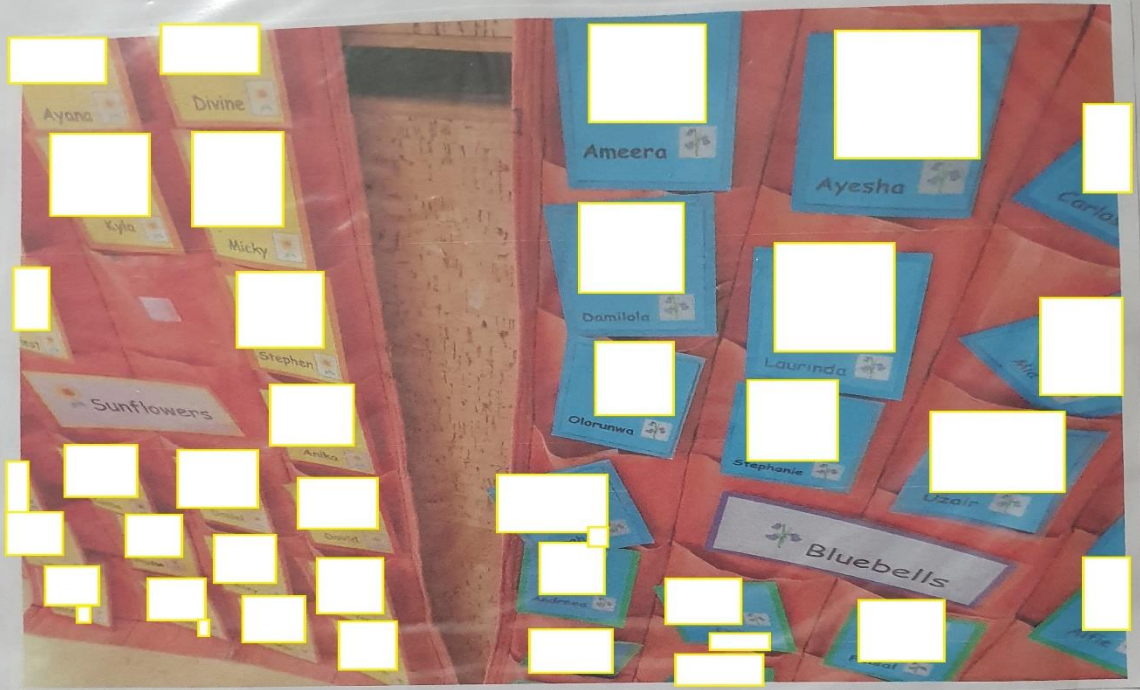

We find our name and put it
on the red board.

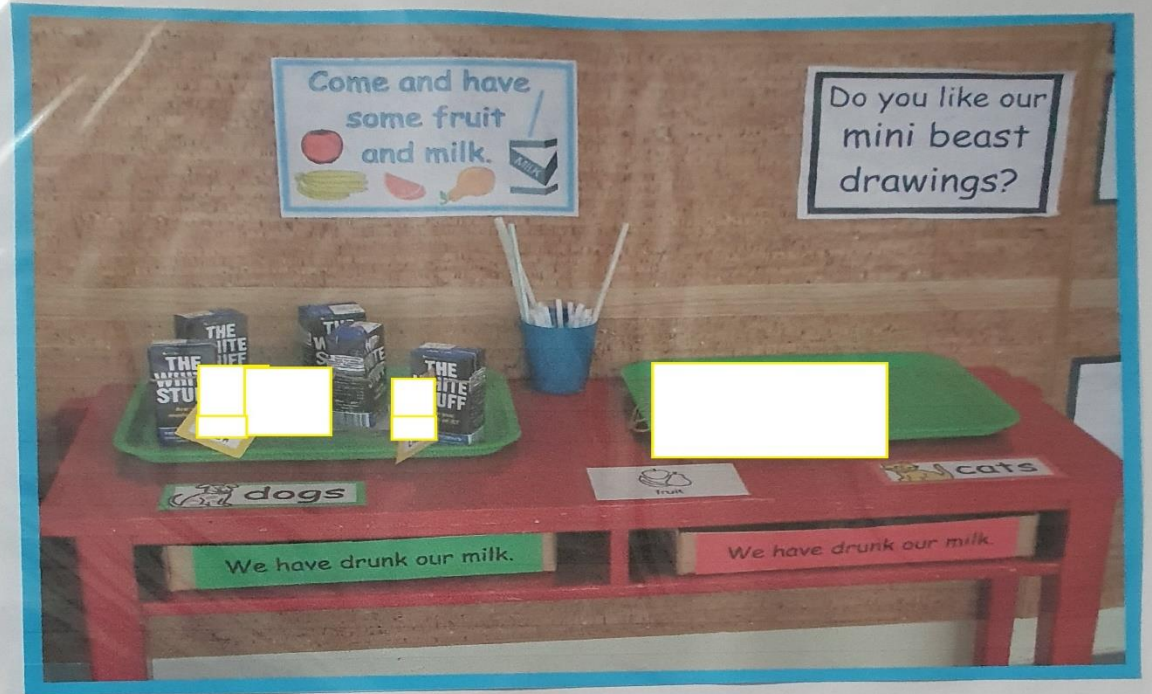

At nursery we love painting!

We remember to use an apron for messy play.

We can put our own name labels on our pictures.

We can drink healthy milk or water when we are thirsty.

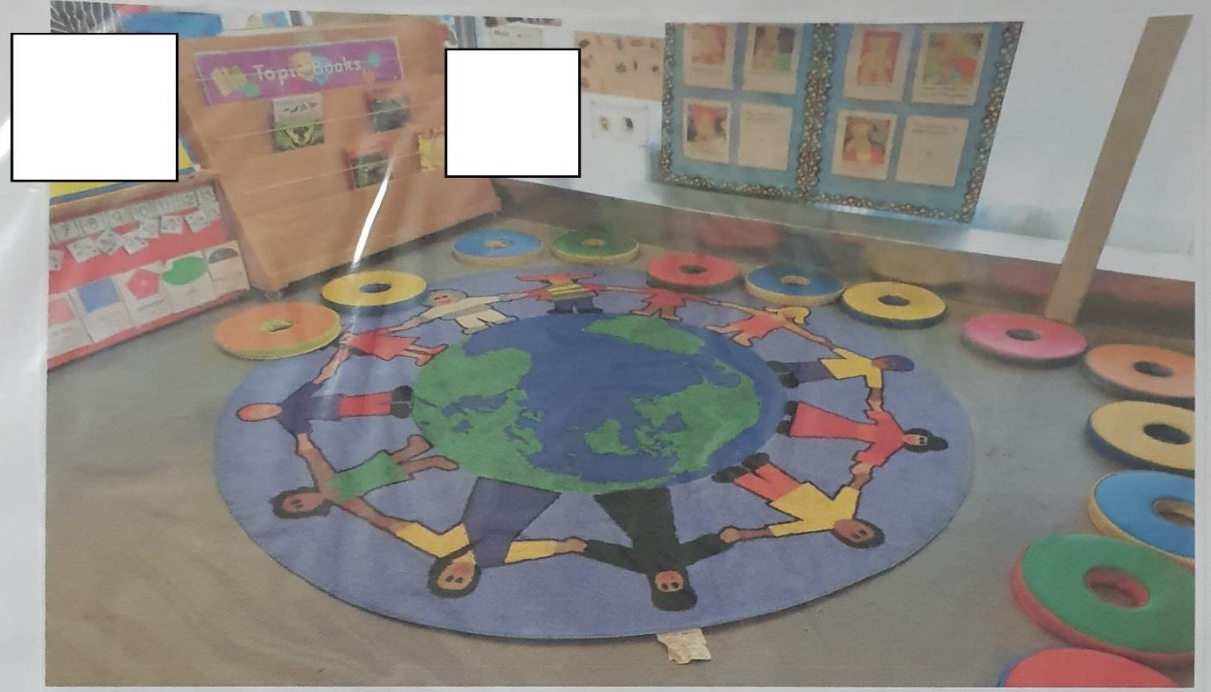

We can use the toilets all by ourselves!

We can read lots of books in the book corner.

This is the Sunflowers area.

This is the Bluebells area.

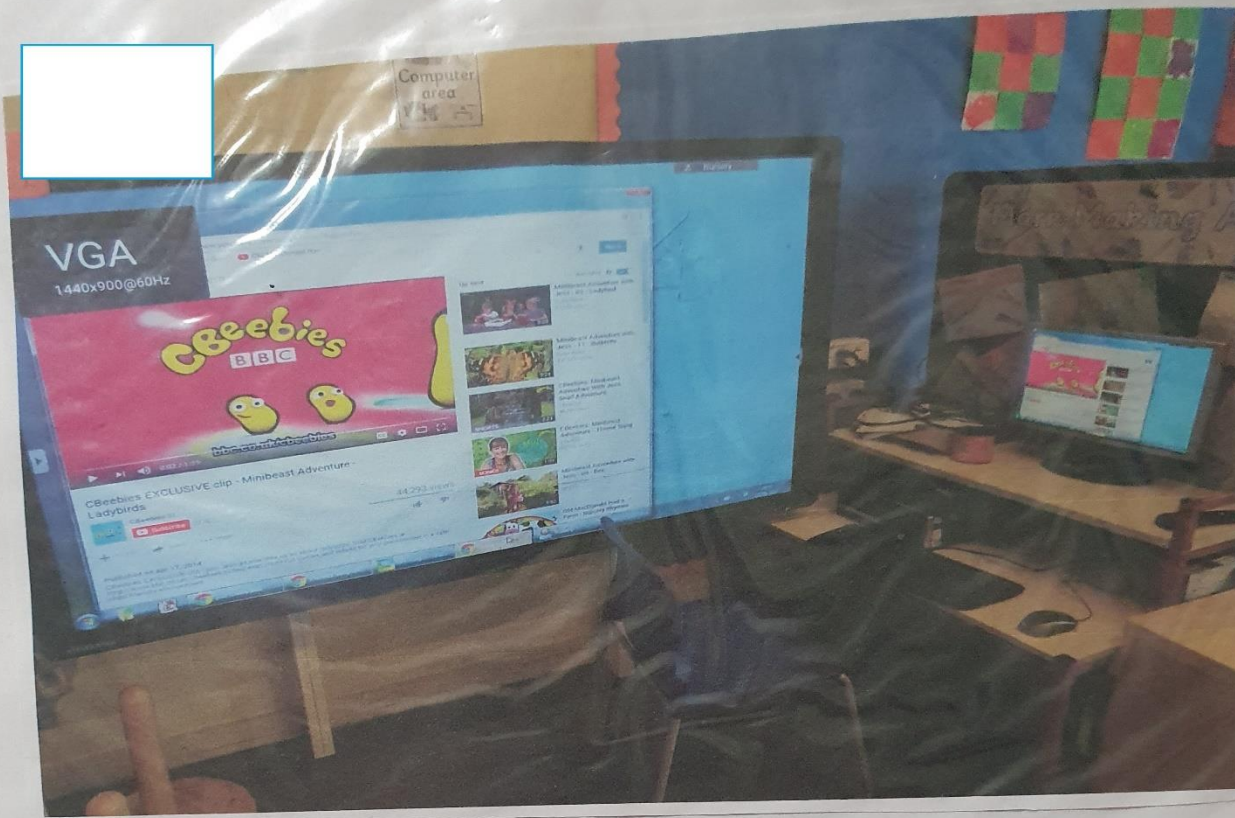

In the kitchen we can cook and use play dough.

We can draw and write in the graphics area.

We can use the computer.

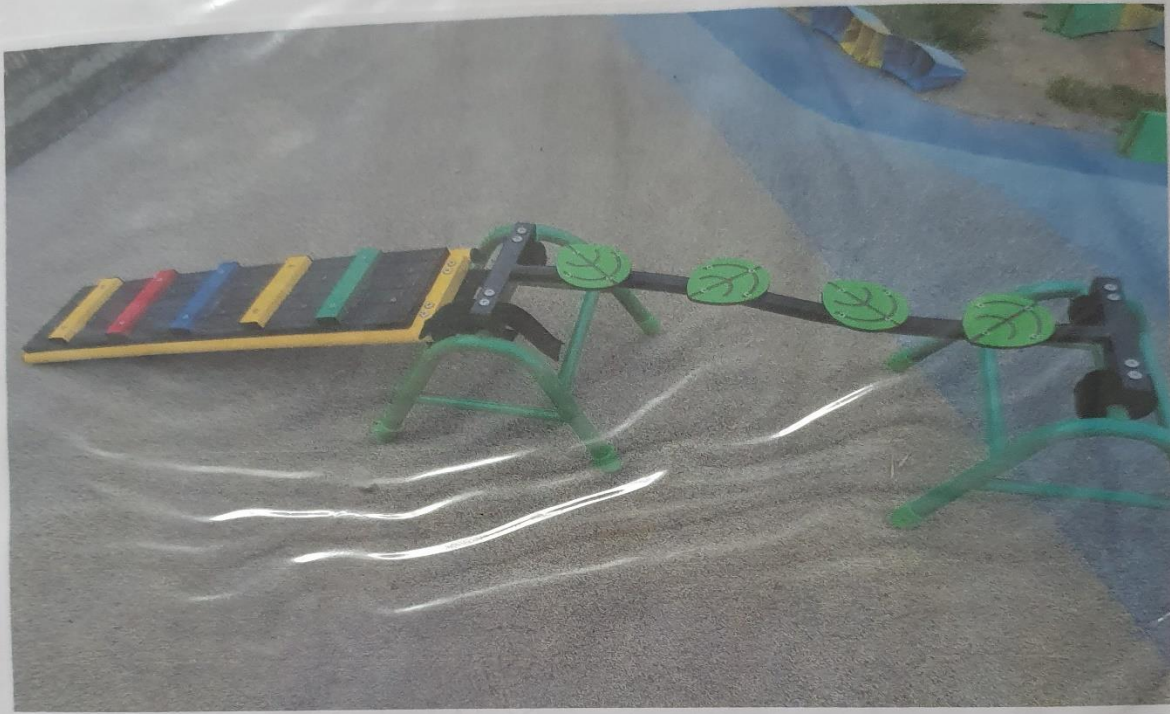

We can play in the garden!

We can play in the playhouse.

We have lots of bikes and scooters to play with!

We can learn to balance using the obstacle course.

We can play in the role play area.
