## SLT News

We would like to thank our Yr1 and Yr2 parents who attended the Watch and Learn phonics sessions this week. I'm sure you now have a better idea of the strategies we use to teach phonics and you can better support your children with reading at home.

Our Jeans for Genes fundraiser was a success; your kind donations helped us raise **£247.10** for this worthy cause.

October is the celebration of Black History. Children will be learning about the achievements, culture and history of significant black people. They will also be participating in songs, poetry African drumming and dancing. If you have any ideas that you would like to share during Black History Month, please contact the office.
