

# Pupil premium strategy statement (primary)

1. Summary information					
<b>School</b>	John Perry Primary School				
<b>Academic Year</b>	2017-2018	<b>Total PP budget</b>	£164,926	<b>Date of most recent PP Review</b>	September 2017
<b>Total number of pupils</b>	637	<b>Number of pupils eligible for PP</b>	154	<b>Date for next internal review of this strategy</b>	April 2018

2. Current attainment		
	<i>Pupils eligible for PP (your school)</i>	<i>Pupils not eligible for PP (national average)</i>
<b>% achieving in reading, writing and maths</b>	70%	67%
<b>Average progress in reading at the end of KS2</b>	+3.0	0
<b>Average progress in writing at the end of KS2</b>	+2.1	0
<b>Average progress in maths at the end of KS2</b>	+2.4	0

3. Barriers to future attainment (for pupils eligible for PP, including high ability)	
<b>In-school barriers</b> <i>(issues to be addressed in school, such as poor oral language skills)</i>	
<b>A.</b>	Behaviour and emotional concerns of some disadvantaged pupils can lead to low progress and disengagement with learning
<b>B.</b>	Below average attainment on entry to Nursery and to Reception for non-core disadvantaged pupils
<b>C.</b>	Attainment of PP pupils in Reading by the end of KS1 is lower than their peers at National level
<b>D.</b>	Low percentage of PP pupils exceeding the expected standard in Maths by the end of KS2
<b>E.</b>	Low percentage of Year 2 PP pupils passing the phonics screening test
<b>F.</b>	Speech and Language concerns in some disadvantaged pupils lead in some cases to communication and behaviour issues
<b>External barriers</b> <i>(issues which also require action outside school, such as low attendance rates)</i>	
<b>G.</b>	Attendance rates for pupils eligible for PP are lower than their not PP peers, especially in Year 3 (4.2% difference) and Year 5 (3.3% difference). This reduces their school hours and causes them to fall behind on average.
<b>H.</b>	Low academic aspiration of some disadvantaged pupils and families lead to children's disengagement with learning from an early age
4. Desired outcomes	
	<i>Desired outcomes and how they will be measured</i>
	<i>Success criteria</i>

<b>A.</b>	Decrease the number of children with behaviour and emotional concerns across the school	Pupils eligible for PP take part in and benefit from nurture group led by Learning Mentor. Decrease in exclusions for PP pupils. PP pupils' wellbeing is prioritised as a first step towards better behaviour and good academic achievement.
<b>B.</b>	Ensure good progress and mastery of basic skills by the end of EYFS	Pupils eligible for PP in reception classes make rapid progress by the end of the year so that all pupils eligible for PP meet age related expectations
<b>C.</b>	Attainment of PP pupils in Reading by the end of KS1 is at least in line with National figures	Pupil Premium pupils' attainment in Reading by the end of KS1 in line with national benchmark or moving significantly closer
<b>D.</b>	Increase percentage of PP pupils exceeding the expected standard in Maths by the end of KS2	Percentage of pupils eligible for Pupil Premium exceeding the expected standard in Maths by the end of KS2 in line with national benchmark or moving significantly closer
<b>E.</b>	Increase number of Year 2 PP pupils passing the phonics screening test	Percentage of Year 2 PP pupils passing the phonics screening test moves significantly closer to their not PP peers
<b>F.</b>	Improvement in communication skills, and achievement figures, in those PP children identified to participate in Speech and Language support and intervention programs provided by the school	Speech and Language program facilitates children's engagement with learning in all areas of the curriculum and contributes to develop children's communication skills
<b>G.</b>	Increased attendance rates for pupils eligible for PP in all year groups and especially in Years 3 and 5	Attendance of pupils eligible for PP will be at least in line with their not PP peers and close to, if not in line with, our school target of 96%
<b>H.</b>	Improved parents' interest in school will result in parents more involved in their children's learning and children better supported at home	Parents and carers attendance to learning workshops and 'Stay and Learn' sessions increases their engagement with the school and gives them the tools to support their children better at home.

## 5. Planned expenditure

Academic year

The three headings below enable schools to demonstrate how they are using the pupil premium to improve classroom pedagogy, provide targeted support and support whole school strategies.

### i. Quality of teaching for all

Desired outcome	Chosen action / approach	What is the evidence and rationale for this choice?	How will you ensure it is implemented well?	Staff lead	When will you review implementation?
B.Ensure good progress and mastery of basic skills by the end of EYFS	Ensure high quality interactions with adults to develop communication and language skills. Provide children in Early Years with a broad and balanced curriculum that allows them to develop their basic skills in different contexts.	The Statutory Framework for the Early Years and Foundation Stage (March 2017) states that every child deserves the best possible start in life and the support that enables them to fulfil their potential. The development of pre-reading skills, early mathematics and problem solving show positive benefits and enable children to independently access learning activities to develop their successful learning.	All EYFS staff are aware of planned focused activities to improve basic skills in English (including communication) and Maths. Outdoor areas will be developed to engage children in communication and language skills.  Learning walks, teaching and learning reviews (both external and internal) and scrutiny of planning to ensure consistent quality teaching and interactions with adults and provision.  Internal and external moderation, together with support and training from the Local Authority Early Years Advisory Teacher, will ensure progression in basic skills and accurate judgements when assessing pupils.	AHT for Early Years, Early Years staff	Pupil progress meetings in December 2017, April 2018 and July 2018

<p>C. Attainment of PP pupils in Reading by the end of KS1 is at least in line with National figures</p>	<p>Employ 4 additional LSAs to ensure all children are supported appropriately and effectively</p> <p>Progress of PP children tracked and additional booster group or intervention program put in where needed in Year 1 and 2.</p> <p>Review impact of Guided Reading and adapt pedagogy to ensure all children receive first-quality teaching in Reading</p> <p>Additional reading books in classrooms to ignite the love of reading</p> <p>Introduce Reading Logs across the school to ensure children are reading at home, ideally with an adult</p>	<p>According to FFT Aspire, at the end of KS1, 61% of our PP pupils achieved ARE in Reading compared to 76% Nationally.</p>	<p>Dedicate staff meetings to deliver training in Guided Reading</p> <p>Observations of Guided Reading lessons</p> <p>Provide external training on Reading intervention program BRSP for 4 LSAs to deliver intervention in KS1</p> <p>Focused tracking of groups to ensure pupils will reach ARE by the end of KS1</p> <p>Purchase additional resources for teachers to lead Guided Reading sessions</p>	<p>AHT for Inclusion</p> <p>KS1 Lead SLT</p> <p>AHT for Teaching and Learning and Assessment</p>	<p>Pupil progress meetings in October 2017, December 2017, April 2018 and July 2018</p>
<p>D. Increase percentage of PP pupils exceeding the expected standard in Maths by the end of KS2</p>	<p>Newly appointed Maths Leader</p> <p>Training for all teaching staff on different aspects of Maths pedagogy, with a focus on problem solving and application of mathematical skills</p> <p>Training for Maths Lead and 3 LSAs in Success in Arithmetic</p> <p>Staff training on high quality feedback</p>	<p>According to ASP, 7% of PP pupils exceeded the expected standard in Maths by the end of KS2 compared to 23% nationally.</p> <p>EEF Toolkit suggests high quality feedback is an effective way to improve attainment.</p> <p>High quality, structured interventions have been shown to have a positive impact on progress (DISS project)</p>	<p>Use INSET days/staff meetings to deliver training in Maths, AfL and quality feedback and marking</p> <p>Observations of Maths lessons, book scrutinies, Learning Walks (internal and external) to ensure challenge for all</p> <p>Focused tracking of groups to ensure children are making more than expected progress from starting points</p> <p>Purchase additional high-quality Maths resources to facilitate the teaching and learning of Maths in all year groups</p>	<p>Maths Lead</p> <p>AHT for Teaching and Learning and Assessment</p>	<p>Pupil progress meetings in December 2017, April 2018 and July 2018</p>

E.Increase number of Year 2 PP pupils passing the phonics screening test	Quality first teaching of Phonics in ability groups (four weekly sessions) in Year 2 following the Letters and Sounds scheme.  Phonics workshops in reception, Year 1 and Year 2 to demonstrate the teaching of phonics in school and show strategies to support children at home with phonics.	Early identification of those children at risk of not passing the phonics screening test will ensure intervention program is delivered and monitored to get all pupils ready for the phonics screening re-take.	Release KS1 Lead to monitor and support the teaching of Phonics Reorganisation of groups at different 'assessment points' during the year to ensure strongest impact is made. Adults deployed to enhance progress of identified children. Focused tracking of groups to ensure pupils are 'check ready' by June 2018	KS1 Lead	Termly review of data and discussion with SLT. From February half term, regular assessment points to check progress and booster sessions implemented where necessary.

**Total budgeted cost**    £91,650

## ii. Targeted support

Desired outcome	Chosen action/approach	What is the evidence and rationale for this choice?	How will you ensure it is implemented well?	Staff lead	When will you review implementation?
A.Decrease the number of children with behaviour and emotional concerns across the school	Whole school approach.  Newly appointed Learning Mentor and Thrive specialist, supported by SLT and teaching staff, to identify those children at the risk of exclusion or with persistent disruptive behaviour and pupils with wellbeing concerns.  Nurture groups Thrive program (a systematic approach to the early identification of emotional development)  Focus on development of positive relationships with parents  Parent workshop on Developing Resilience in Children	According to Ofsted, pupils improve their behavioural, social and emotional skills as a result of nurture group provision (from <i>Supporting children with challenging behaviour through a nurture group approach</i> , 2011)  NICE (National Institute for Health and Care Excellence) guidance recommends that: head teachers, governors and teachers should demonstrate a commitment to the social and emotional wellbeing of young people. Improvement plans, policies, systems and activities should all be monitored and evaluated.  Quote from Achievement for All (2011): Success was seen where a collaborative relationship– involving a two-way exchange of information, ideas, aspirations and concerns – was formed (between families and schools).	Inset on mental health and wellbeing to ensure teaching staff are trained on mental health and wellbeing. Close monitoring by Deputy Head Teacher and Inclusion Leader. Strategies used in nurture group to be embedded in class.	DHT AHT for Inclusion Learning Mentor AHT for Teaching and Learning	April 2018

<p>F.Improvement in communication skills, and achievement figures, in those PP children identified to participate in Speech and Language support and intervention programs provided by the school</p>	<p>Whole school approach.</p> <p>Speech and Language programs delivered by LSAs speech and language specialists</p> <p>Individualised Speech and Language programs in every year group</p> <p>100 Words and Speech Link assessment in Reception</p> <p>Talk Boost intervention program in Year 1</p> <p>External and qualified Speech and Language Therapist deployed across the school</p>	<p>Research from I Can charity shows that Speech, language and communication are crucial for reading, learning in school, for socialising and making friends, and for understanding and controlling emotions or feelings. Children starting school with speech, language and communication needs (SLCN) may struggle with any aspect of communication and they can become withdrawn or present with challenging behaviour within the primary school environment.</p> <p>Based on recommendations from the Rose Report, the renewed Primary Strategy for Literacy and Mathematics recognises the importance of speaking and listening in order for children to learn.</p>	<p>Impact measured from start to end point of intervention programs.</p> <p>Through meetings between LSAs, S&amp;L Therapist and AHT for Inclusion to ensure children are making at least expected progress.</p>	<p>AHT for Inclusion</p> <p>SLT</p>	<p>December 2017, March 2018, July 2018</p>
<b>Total budgeted cost</b>					£68,750
<b>iii. Other approaches</b>					
<b>Desired outcome</b>	<b>Chosen action/approach</b>	<b>What is the evidence and rationale for this choice?</b>	<b>How will you ensure it is implemented well?</b>	<b>Staff lead</b>	<b>When will you review implementation?</b>
<p>G. Increased attendance rates for pupils eligible for PP in all year groups and especially in Years 3 and 5</p>	<p>Newly appointed AHT with responsibility for EYFS and Attendance to monitor pupils and follow up quickly on absences. First day response provision. Monthly meetings with Borough Attendance Officer (BAO) to identify persistent absentees and support families with poor school attendance.</p> <p>Reward children with outstanding attendance (bikes, scooters and skateboards as prizes)</p>	<p>Our attendance records show that our school's overall attendance figure for 2016-2017 is below National expectation (93.83% compared to 96%).</p> <p>We can't improve attainment and secure progression if children are not actually attending school. NfER Raising Attendance report emphasises the effectiveness of focusing on prevention and early intervention.</p>	<p>Though constant communication between AHT, BAO, Head and PP Leader to ensure standard school processes work effectively and smoothly.</p> <p>Weekly reviews to ensure attendance is on track and to intervene quickly, where attendance of pupils is cause for concern.</p>	<p>AHT for Attendance HT</p>	<p>December 2017 April 2018 July 2018</p>

	Celebrate class(es) with best attendance and punctuality on weekly assemblies				
H.Improved parents' interest in school will result in parents more involved in their children's learning and children better supported at home	<p>Invite parents and carers to 'Stay and Learn' workshops</p> <p>Organise information sessions for parents on Phonics Screening, Assessment by the end of KS1, and KS2 SATs</p> <p>Invite parents and carers to weekly Sharing Assemblies</p> <p>Work closely with PTA to ensure common goals</p> <p>SLT Coffee mornings</p> <p>Charity/fundraising events</p> <p>Termly Parent-Teacher consultations and Curriculum Evening</p>	<p>According to EEF (Education Endowment Foundation), the association between parental involvement and a child's academic success is well established.</p> <p>Parents and carers attending coffee morning have demonstrated a strong interest in being involved in school life and are willing to participate in workshops that help them understand how to support their children better at home.</p>	<p>Ensure activities that involve parental engagement are announced in weekly school journal so that parents can participate.</p> <p>Listen to parents and carers' suggestions or requests linked to teaching and learning and act accordingly</p> <p>Collect verbal/written feedback after learning workshops or presentations and plan next steps</p>	<p>SLT</p> <p>AHT for Teaching and Learning</p> <p>Parent Teacher Liaison</p>	<p>Ongoing and as a response to parents' requests or participation in workshops</p>
<b>Total budgeted cost</b>					£4,526

**6. Review of expenditure**

**Previous Academic Year**

**i. Quality of teaching for all**

<b>Desired outcome</b>	<b>Chosen action/approach</b>	<b>Estimated impact:</b> Did you meet the success criteria? Include impact on pupils not eligible for PP, if appropriate.	<b>Lessons learned</b> (and whether you will continue with this approach)	<b>Cost</b>

**ii. Targeted support**

<b>Desired outcome</b>	<b>Chosen action/approach</b>	<b>Estimated impact:</b> Did you meet the success criteria? Include impact on pupils not eligible for PP, if appropriate.	<b>Lessons learned</b> (and whether you will continue with this approach)	<b>Cost</b>

**iii. Other approaches**

<b>Desired outcome</b>	<b>Chosen action/approach</b>	<b>Estimated impact:</b> Did you meet the success criteria? Include impact on pupils not eligible for PP, if appropriate.	<b>Lessons learned</b> (and whether you will continue with this approach)	<b>Cost</b>
