In Yr6, we have been settling in to our classes. It's the beginning of the year, but we have started to get ourselves ready for SATS! We have been practising on improving the quality of our work. We are still getting to know what Year 6 is going to be like. The rest of the pupils have started settling in to their new classes and have gotten to know their teachers - by **Hannah and Priscillia (6G)**.

## SLT News

Welcome to the very first edition of our new weekly John Perry Journal. In this newsletter you will find lots of information about weekly events at John Perry. Please take a moment to read what is happening at our school week-by-week.

We've had a great start to the new school year. Our Word of the Week was New Beginnings - all our children started the year with positive attitudes and smiles on their faces. It's lovely to see our new Reception children settling in, making friends and enjoying their first week at school. We have very important elections taking place next Thursday. Children will be voting for the school councillors, House Captains and Vice House Captains. We will have House Points up and running after the elections. Our Pupil Journal section is written by children from across the school – watch this weekly space to hear what our children have to say! I hope you enjoy reading our Journal - by Mr W Pedro, Head Teacher.
