Dear Parents/Carers,

Are you looking for support with childcare costs?

Getting financial help with your childcare costs is easier than you might think.

Childcare Choices brings together all the government childcare offers in one place for the first time, including two new schemes for working parents: Tax-Free Childcare and 30 hours free childcare for nursery children.

Use the Childcare Calculator on **Childcare Choices** to see what offers are available to support you and your family.

To find out more about the new and exciting offers, and how they can help you, go to the **Childcare Choices** website today:

Yours sincerely,

Mr W. Pedro
