## SLT News

A very warm welcome back to all our children and families. I hope you have had a good break and we look forward to warmer weather and exciting new learning. Our taster session on Wednesday was well attended. Parents had the chance to taste some of the food that we will be serving this term. The new menus will be sent out shortly. We say goodbye to Mrs Fisher who has been part of our staff for nine years. It is her last day in the ARP today and she is going to be missed by staff and children. We are re-launching the free Xpressions App. This app will allow you to receive messages to your mobile free of charge. A letter explaining how to access the app has been sent out. Our swimming pool has reopened this week. Please make sure that your child has their swimming kit when it is their class' swim lessons. We are currently awaiting delivery of swim hats and thank you for your patience. During this hot weather, please apply sun cream to your child before they come to school and provide a hat for extra protection.

## Pupil Journal

This week we have been doing lots of work to help us with our SATS preparation. We have been learning about Islamic Art and its geometrical pattern, shapes and designs.

We created our own geometric patterns and shapes by using just matchsticks.
