Responsibility

Pupil Journal

On Friday, Year five got a happy visit from the fire brigade. They were told lots of information about how to get out of a fire safely and the different ways a fire can start and ways to prevent fires from starting. These things are life skills they will help them be safe. Other useful information can be found on their Fire Brigade website.

SLT News

Two very brave parents will be embarking on a marathon on Saturday, 5th May, to raise funds for the Brain Tumour charity. Mr Stephen Collins and Mr Lee Clark, hard-working members of our PTA, will be undertaking the 106 kilometre Isle of Wight ultra-endurance challenge. They will be looking to complete the challenge around the island within 24 hours, over testing terrain and conditions. We wish them the very best as they prepare for this gruelling event. To support them please donate, using the link <https://mydonate.bt.com/fundraisers/stephencollins22>. Your contributions will be appreciated. Our Yr6 pupils will be doing their KS2 SATs tests in two weeks' time. They have been working very hard and we wish them the very best.

Thanks to your donations, we raised **£106.78** for 'Onesie Wednesday' during Autism Awareness week last term. The money will be donated to the National Autism Society. Please monitor your children's use of the internet and social media and be aware of the age restrictions of sites and apps such as YouTube, WhatsApp, Facebook, Instagram, Twitter etc. We have been made aware that sites frequently visited by children have been targeted with inappropriate material. We continue to practise safe usage of the internet at school and we encourage you to do the same at home.
