## SLT News

Next Wednesday we will say goodbye to Mrs Plaster, our office manager. She has been at the school for 24 years and in that time she has built wonderful relationships with parents and children. We are going to miss her and we wish her the very best as she prepares for her move abroad. Next week, our Yr6 pupils start their KS2 SATs tests. They, with the rest of the Yr6 children throughout the country, will be hard at work doing tests in Reading, Grammar, Spelling and Maths. They have been working hard throughout the year and these tests are only a small part of how they will show the progress they have made from KS1. We wish them well during the next week. Our parents group led by Mrs Walczyk who meet monthly to talk about children with special needs have set up an online Facebook group with the unforgettable name of 'POSH' – Parents of Super Heroes at John Perry Primary School. The group is open to all parents and you are welcome to share your views and opinions in this open forum. Problems with the heating in the pool as well as staff training have led to the cancellation of Aqua Club these last few weeks. We will have additional catch-up sessions to make up for the cancellations. Information about the additional sessions will be sent next week.
