Resilience

Pupil Journal

SATS talk from Yr6:

It was a very hard week. I was stressing a lot but then went through it, thanks to everyone that helped me such as: Miss Stratton, Mrs Langridge and all the other teachers and friends and family. The school's breakfast club got my brain energised to do my best. I can't believe I made it this far. Hopefully, I will get a great score in SATs. – **Yasir Ali**

It was really fun doing SATs and having breakfast and also teachers teaching us Maths, Science, English and RE for 4 years. We've come so far from Yr2 to Yr6. I'm really proud of myself for working so hard. Hopefully, I'll pass my SATs – I did my best.

SLT News

The KS2 SATs are over! The children have completed these national tests and they have acquitted themselves well during this quite stressful week. It was a week of intense focus for them. They showed great resilience (our Word of the Week) by handling the pressure of this external examination very well. We look forward to receiving the results early in June. As a special treat, they are off on a tenpin bowling trip today. Nursery and Reception classes were visited by animals from Zoolab on Wednesday. Photos of the event will be posted on the website. Next week is 'Music Week', with song writing workshops and a special performance to parents on Friday. Children will be invited to sit at our Golden Table next Friday. This termly event is much anticipated by the children, who get to be served by members of SLT. The children who missed their Aquaclub sessions due to low temperature, fog and staff training will be doing their Aquaclub swim on 25/05, 08/06 and the 22/06. School closes at the usual time on Friday, 25th, for the half term holiday. Children are back at school on Tuesday, 5th June.
