**Issue 32: Thursday 14 June 2018**

The *Word of the Week* is:

**Problem solving**

## Pupil Journal

On Wednesday, the school had the lovely experience of having the inflatable fun day. There was various bouncy castles to go on. A personal favourite of mine was the tallest one on which you had to climb and then slide down. Also the Lazer tag was absolutely amazing

Also on Tuesday, the wonderful Charlotte from the University of East London and the Geobus taught Year 5 about 'Earthquakes and the effect of them'. Did you know that earthquakes are rated from 1 – 5, with 1 being extremely small and 5 being life threatening? You might have been in an earthquake and not have known!

**By Sash Chege – 5U**

## SLT News

The PTA's bouncy castle event went off very well yesterday with children having lots of fun on the many inflatables. Thank you to all who supported the PTA. On Tuesday the year 5 children were visited by the 'Geobus'. They visit schools delivering Science workshops. We look forward to having them working with other year groups in the new academic year. Today, all the children and staff observed a minute of silence at 12:00 to remember the 72 adults and children who lost their lives in the Grenfel Tower fire exactly a year ago today. All our thoughts go out to their families and loved ones. We would like to wish all our Muslim children and families a very Happy Eid tomorrow. This term is very busy with lots of events. We have sent out a letter today with the dates and times of events to the end of the academic year. I have also included the term dates for the academic year 2018-2019 with this letter.

### Key Dates for next week

Monday 18<sup>th</sup>: Year 3 and 4 Sports day 9:15. Nursery closed – Nursery Induction day  
1S educational visit to Dagenham library
