Friday 28th February 2020

Dear Parents/Carers,

Welcome back for the start of the new a half term. We hope that you and the children enjoyed the break and had a chance to spend time with loved ones.

In our foundation subjects this half term, we will be starting a number of new topics. In History we will be studying the topic 'Florence Nightingale', exploring who she was and why she is so famous. WE are now moving to our DT unit of work where children will be learning all about healthy eating and how to cook a healthy pizza! In R.E we will be moving onto the Easter story and in PSHE we will be starting our SRE curriculum. In Science and music, we will be continuing with 'Plants' and learning to play the recorders.

In PE we will be starting our gymnastic unit of work looking at positions, rolls, methods of travelling and using different apparatus. In outdoor PE we will be learning about invasion games. Please ensure that the children remember both their indoor PE and outdoor PE kits for their designated PE day. It is vital that all children have a warm tracksuit for outdoor PE and trainers. There will be no more swimming until the Summer term.

Indoor PE: 2R, 2W and 2C Wednesday

Outdoor PE: 2R, 2C Tuesday, 2W Thursday.

In order to support your children with school work, please continue to read with them at home and help them complete their homework. May we also ask you to continue to practise the 2, 5, 10 and 3 time tables. Also, with attendance figures rising please continue to bring your child to school every day on time in order to ensure they are not missing a minute of the school day.

We would like to take this opportunity to thank you for your continued support. We understand how important it is to work together in order to better your child academically, socially and emotionally. We look forward to working together as your child progresses further through Year 2.

Kind Regards,

Miss Stratton, Miss Akther, Mrs Dhamarajan (The Year 2 Team)
