3rd February 2020

Dear Parents and Carers,

Next half term, our topic in PSHE across the school will be Relationships Education (RE). Relationships Education is a statutory vital area of the PSHE curriculum to help to safeguard your child as well as to support your child's understanding of relationships.

Here is a breakdown of the areas that will be covered in Relationships Education across different year groups next half term:

Reception: Keeping Ourselves Clean; Our Day; Families.

Year 1: Keeping Clean; Growing and Changing; Families and Care.

Year 2: Differences between Boys and Girls; Differences between Males and Females; Naming Body Parts.

Year 3: Differences between Males and Females; Personal Space; Family Differences.

Year 4: Growing and Changing; What is Puberty?; Puberty Changes and Reproduction.

Year 5: Talking about Puberty; Male and Female Changes; Puberty and Hygiene.

Year 6: Puberty and Reproduction; Understanding Relationships; Conception and Pregnancy; Communicating in Relationships.

If you would like to find out any more information about what your child will be learning during their Relationships Education lessons at school, we are holding a session in the Junior Hall on Tuesday 11th February at 09:15, where you are welcome to come and have a look at the resources that will be shared and discussed with children. Alternatively, if you are unable to make the meeting due to work commitments, we can arrange a convenient time to meet with myself, so that you can have a look at the resources.

Many thanks,

Mrs Pam Bennett
