Dear Parents and Carers,

After half term we will be launching our walk to school programme. With a high level of children already walking to school we thought it was about time that they gained some recognition. Each class will be given a wall chart where each morning children who have walked to school from anywhere within the map shown below can record their progress.

We would encourage families to walk a maximum of 10 mins whether this be door to door, using buses and trains or parking a car further away and walking. This is also part of our commitment to being an active school alongside our clubs and playtimes where children are encouraged to be as physically active as possible.

Children who walk to school 3 days or more for a 6 week block will receive a badge and certificate in celebration assembly.

Yours sincerely,

Mr J Gray

PE Lead
