Community Competition: Our Picture Dreams

Valence House is inviting you to create a picture of what you are dreaming about seeing/doing when lockdown is over! Visiting your favourite place? Meeting up with relatives? Let's celebrate our community, friends and family with some colourful pictures.

Paint it, draw it, colour it, sketch it and send it to:
valencehousemuseum@lbbd.gov.uk

Don't forget to include your age – there will be a winner selected from both the adult and child (under 16) entries. The winners in each category will receive £20 of Amazon vouchers and feature in a special post-lockdown museum display.

The deadline is midnight on Friday 15th May, so hurry up!

The winners will be announced on Monday 18th May.

Full details can be found on their website:
