

# SCHOOL UNIFORM INFORMATION

Please note that school uniform is **not compulsory** in nursery.

However, many parents and carers choose to dress their child in uniform. They feel it is part of a good routine and saves the child's 'good clothes' from being ruined by paint and messy play (despite wearing aprons!) while at nursery.

If you feel you would like your child to wear school uniform, here is some information you may find helpful.

The John Perry Primary School Suppliers,

Premier School wear
