

John Perry Primary School – Behaviour Policy 2020

School has changed since you were last here and we have some new rules and responsibilities in place. We all need to follow them at all times to make sure we all keep safe and healthy.

Wait behind the barrier on the playground with your parent / carer until your class is called to line up.

Line up with your class. Smile at each other and say hello but no hugs or holding hands. Always walk in a single file.

In the classroom, sit at your desk. An adult will show you which one is yours. You will stay at the same desk and have all of your equipment in a zipped wallet. If you have a jacket or a coat, always hang it on the same peg.

Wash your hands with water and soap or hand sanitizer for at least 20 seconds whenever an adult asks you to.

If you need any help, raise your hand. Always stay in your seat.

If you need to go to the toilet, raise your hand. Ensure you wash your hands for at least 20 seconds afterwards.

If you sneeze or cough, it is very important to use a tissue, throw it in the bin and wash your hands. If you don't have a tissue, you'll need to use your elbow.

During break time and lunch play, you can use equipment but only with those children in your year group. Make sure you stay in your allocated zone in the Juniors playground.

If you need help with your food, raise your hand and wait for an adult to help you. Follow the one-way system to walk into, around and out of the dining hall. When lining up, stay at least 2 metres away from each other.
