22.02.2021

Dear Parents/Carers,

We would firstly like to thank you all for your hard work and dedication to online learning over the past half term. We know that it must be challenging for parents/carers at home juggling their day to day lives as well as supporting their children with their learning. We would all like to say a huge thank you for your continued support in the running of this. We are so proud of what the children are achieving in their learning at home and we can't wait to see all of the children's smiling faces back in our Year 2 classrooms when schools are allowed to fully reopen.

Over this half term in Maths we will be focusing on fractions as well as money. We will be exploring halves, quarters and thirds as well as developing our knowledge of equivalence in the focus area of fractions. Within the focus area of money, we will learn how to count money, compare amounts as well as find the difference between amounts. In English, we will be looking at the book 'The Day the Crayons Quit' and through this text we will be developing our letter writing skills.

In our foundation subjects, we will be starting a number of new topics. We will be studying History and our topic will be 'what were seaside holidays like in the past?', where we will be learning about what the seaside was like in the past compared to what it is like nowadays. In addition to this, we will be looking at the topic 'Living things and their habitats' in Science. In this topic area children will learn about what living things are and how they are adapted to where they live. In PSHE, children will be learning about how to stay safe around medicines in the home.

All children should have access to Times Tables Rock Stars, Bug Club and Purple Mash, so please remember to use these resources when they are timetabled. If you have any problems logging on to any of these resources, then please let your child's class teacher know. Our Year 2 email address is: year2@johnperry.bardaglea.org.uk if you need to contact us so that we can support you further.

Once again thank you all for your hard work during these unusual times.

Yours sincerely,

Mrs Buckle, Miss Kemp, Mrs Rix and Mrs Bennett

Year 2 Team
