

Free summer activities (2021)

The Government's Holiday Activities and Food Programme is funding FREE Summer activities with lunch for children and young people that are eligible for Free School Meals. Take a look at the exciting opportunities below and make this a Summer to remember! To register for activities simply use the contact details provided or click on the registration link, where provided.

If you are not eligible for this programme please visit our [NewMe healthy lifestyle page](#) for information on our 'School's Out, Get Active' programme, which has a range of holiday activities that are available for all.

For general enquiries about the programme please email HAFprogramme@lbbd.gov.uk.

For specific activities, please follow this link:
