Dear Parents/Carers,

Welcome to a new school year! We hope you have had a relaxing Summer break. We are very excited to have your children back in the ARP. We are writing to give you some highlights for the upcoming academic year.

For the Autumn term our topic is "All About Me". We will be making cross curricular links to teach English, Maths, Science, Art and P.E. lessons around this topic

Alongside our subjects specific teaching we will continue to deliver specialised interventions, such as circle time, intensive interaction, TacPac, messy play, sensory circuits, attention bucket, Lego therapy and clever fingers.

We will continue to focus on the personalised targets for each child and will put in place strategies to achieve the best possible outcomes for all children.

We consider it extremely important to have input of the external agencies to build upon our existing strengths. We will continue our partnership with external agencies and we will receive support from the Speech and Language Therapist and Educational Psychologist.

We will resume our swimming lessons on Friday the 10th of September. Our weekly swimming day remains the same (Fridays). Please be reminded to send a swimming kit which must include swimming trunks/costume, a towel and a swimming hat.

We are pleased to inform you, that during the Summer break we have equipped our soft play area with a new floor and wall padding, which will allow our children to play there safely.

Before we finish, we would like to reinforce the importance of collaborative working between the school, parents, community and external agencies. We all have essential roles to play in promoting children's positive development. We are sure we will accomplish great results together and will have a fantastic academic year.

Please do not hesitate to contact us if you require further information regarding our academic year.

Kind regards,

ARP Team
