### **Re: Parents driving in school premises**

Dear Parents and Carers,

Above all else, the safeguarding of our pupils continues to be of paramount importance to us.

**Please note: the school drive is NOT to be used for parents/adults dropping off and collecting children at the start and end of the school day. If a parent needs to use the drive for a specific reason that has been verified and authorised by the Head teacher, they should drive at 5 mph which is a quick walking pace.**

This morning, two parents had to be stopped after driving into our school premises to drop their children off. One of them was driving dangerously and well above the speed limit of 5 mph, putting our pupils, their parents and our staff at risk.

Only school staff and parents authorised by the Head teacher are allowed to drive safely into our school premises.

Yours sincerely,

Mr Pedro

Head teacher
