

## Famous Landmarks

Research famous landmarks in the UK and write a report on one of them.

## Map out London

Create a 3D map of the capital city. Include famous physical and human landmarks, rivers etc.

## Let's go on holiday!

Imagine you are going on holiday to somewhere in the UK. Research the area, looking at landmarks, traditional food, dialect, rivers, mountains etc and write a postcard back to your family telling them all about your adventure.

## Digest that!

Create a 3D model or 3D poster showing the human digestive system.

## Year 4

### Home Learning Project Autumn Term 1

- Geography - The UK
- Science - Animals including Humans

## Become a dentist

Create a poster, TV advert or video giving advice on how to keep teeth healthy.

## Teeth, Teeth, Teeth!

Make a pop-up poster detailing the human jaw and the different types of teeth a human has.

## Teeth or no Teeth?

Create a Venn diagram showing animals that have teeth/ no teeth or an alternative. What are the alternatives and how do they work?
