

Volcano eruption!

Can you create a 3D model of a volcano using junk and recycled materials?

Homely Habitats

Can you research the habitat for a land animal and create a 3D model of its habitat?

Erratic Earthquakes!

Imagine there was an earthquake in Dagenham - Create a video news report or newspaper report on the event.

Non-chronological report on the world's mountains

Can you create a non-chronological report focusing on one of the world's mountains?

Earthy Earthquakes

Can you research the fault lines across the globe that create earthquakes and create a poster to show this?

Year 4 Home Learning Project Autumn Term 2

- Geography - Mountains, volcanoes and earthquakes
- Science - Living things and their habitats

To be returned by Monday
11th December 2023

Habitat poem

Can you create a poem which describes an animal's habitat and living conditions?

Cross section of a volcano

Can you produce a model/diagram of a cross section of a volcano?
