

### Science – Rocks and Soils

Can you explore the different types of rocks around your local area? Look at the colours, textures and any other defining features. Create a leaflet to show your discoveries.

### Design and Technology - Food

Create a recipe card for your favourite sandwich.

Get your grown-ups to follow your recipe and make the sandwich.

### English – Letter writing

Talk to your family about their mail. Look at an envelope that comes through your letterbox.

What features can you identify?

Write a letter to your class teacher. You can either post it to her using the school address, or hand it to the office. Does the letter get to your teacher?

What will you write about in your letter?

### History – Ancient Egyptians

Travel back in time and immerse yourself in history!

- Research King Tutankhamun's tomb.
- Recreate a tomb inside a cardboard box.
- Make some artefacts that were found inside King Tutankhamun's tomb.
- Research sarcophagi and create one.

## Year 3

### Home Learning Project

#### Spring 1

Gymnastics, Letter Writing, Sandwich Making, Rocks and Soils, Ancient Egyptians and Judaism.

### PE - Gymnastics

Can you research famous British gymnasts?

Create a fact file to showcase your chosen athlete.

### RE – Judaism

Can you find out about the Jewish place of worship? Create a poster that shows the key features.

Take a virtual tour: <http://www.samrohn.com/virtual-tour/synagogue/>
