Reception Home Learning Projects Spring 2

Go for a 3D shape hunt around your house. Find objects that are in a 3D shape, i.e. a tin is in a shape of a cylinder etc. Draw what you have found and tell your grown-up the names of the shapes.

Choose your favourite story. Draw and cut out the characters from the story. Create your little theatre and use your props to act out your favourite story. Do you remember what happened in the story? Don't forget to use full sentences and some words you have learnt from the story.
