Friday 1st March, 2024

Dear Parents,

We are now starting our Spring 2 Term.

Reading

Children will continue to bring in their reading books and journals however, books will be changing according to their phonic knowledge. Please ensure your child is reading with you at least once a day. Please continue to write a small comment on your child's reading in their home reading record. Please continue to encourage your child to look after their reading book and handle it correctly when turning the pages. Please be aware that books which are returned to school damaged, will be subject to a fine to cover the cost of the replacement. Reading books are collected in on only on Mondays and will be changed and returned to you on the same day. If your child is absent on that day or does not bring their book to school, please be aware that they may not get their book changed that week.

P.E

Please ensure that your child has the correct PE kit in school which will be kept on their coat pegs and sent home each half term for washing. Please remind your child to take responsibility for their possessions while they are at school. Children are not allowed to wear jewellery in EYFS and KS1 so please remember to remove any items of jewellery before they return to school on Monday morning.

RD P.E. day is Monday.

RN P.E day is Monday.

RZ P.E day is Friday.

Homework

Please be reminded that homework will be issued on Monday and books must be returned with the completed homework on Friday. Homework consists of four activities linked with your child's current and previous learning. These are short tasks designed to be completed over the week and not all in one go.

Curriculum

Please find the Reception curriculum overview on the school website which details coverage for this half term.

Thank you for your continued support,

Mrs Rix (RN), Miss Lester (RZ) and Mrs Sudol (RD)
