

Year 2 Home Learning Project

Due Monday 25th March 2024

In March, we will be celebrating 'Women's History Month'. Therefore, in History this half term, we will be looking at a range of important women and how their actions affected the lives we live today.

We would like you to research one of the following influential women and create a presentation about them, discussing their achievements and challenges and how they have made an impact on the world.

- Frida Kahlo
- Amelia Earhart
- Rosa Parks
- Jane Austen

When creating your presentation, please ensure you research and present information about the following:

- Their date of birth
- Where they were born
- What are they famous for?
- What challenges did they face along the way?
- How have they made an impact on the world today?
- Any other fascinating information about them

You can choose to present your information as a book, PowerPoint or poster.

Any electronic work can be emailed to year2@johnperry.bardaglea.org.uk

We can't wait to see your fabulous presentations!

The Year 2 Team
