

Rivers

Next time you are out and about, have a look at any rivers you can see.
Go onto Google Maps to find local rivers.
Can you label them on a map?
Research river names and where they originate from.

Properties and changing materials

Try out some experiments at home.
Remember to ask an adult for permission and help if you need it.

Topic Home Learning

Summer 1

Rivers, Bridges, Properties and changing materials

Le retour du printemps (The return of Spring)

Go to your local park. What can you see? Can you discuss this in French?
Draw and label a picture/photo.

Building bridges

Next time you are out and about, have a look at any bridges you see. How are they different? How are they the same? Are they very different in size? What are they made from? Maybe draw a few to bring in and let us know where you've seen them.

Express yourself

Use your logins to practise the work set by Mrs Davies. This will really help you in class and might even earn you some House points! Good luck to those who have their fife at home!
