

Read a story with a grown-up. When you have finished, ask your grown-up questions about the story. Were they correct?

Ask a grown-up to help you to make your own sandwich for lunch. Use a knife to carefully butter the bread and then spread your favourite filling. Can you use the knife to carefully cut the sandwich in half?

Help someone at home to do a job - you could put some clothes in a drawer or help clear the table after a meal.

Make an obstacle course using cushions and pillows. Can you try to balance as you walk along or jump between the cushions? Challenge yourself to see how quickly you can complete the obstacle course. If you have a garden, you could create an obstacle course outside using natural resources, such as sticks to hop over or benches to crawl under.
