Dear Parents/Carers,

We would like to welcome you into the final half term of this academic year! We hope you had a lovely and relaxing half term break and that your children are feeling well rested, ready for the final weeks of their year 6 journey.

During this term in English, we will be reading a book called Holes by Louis Sachar and our writing focus will be narrative writing (including description) and letter writing. In Maths, we will be consolidating KS1 and KS2 learning as well as preparing the children for KS3. Our Science topic this term is, 'Living Things and their Habitats.'

In our foundation subjects, we will be starting a number of new topics. We will be studying 'Trade and Economy' in Geography, making mechanisms in D&T, looking at religious and non-religious celebrations in RE and continuing our learning about relationships in PSHE.

This half term, year 6 are lucky enough to be swimming! Please check the letter that was sent home with your child regarding their swimming day so you know when they need to bring their swimming kit to school. The children need to ensure they are bringing the correct PE kit / swimming kit to school on the following days: **6G – Tuesday or Thursday**, **6I – Monday or Tuesday** and **6P – Monday or Thursday**.

In order to support your children in John Perry, please continue to read with them at home and evidence this in their reading record and help them complete their homework, which will be set weekly. The children are still required to complete their reading and weekly spelling homework, which is due in every Friday.

We would like to take this opportunity to thank you for all your hard work and efforts to support us, and hope this will continue as your child finishes Year 6.

Many thanks,

Miss Van Haeften, Miss Insole and Miss O'Connor
