

Year 2 Home Learning Project

Autumn 1

Due Monday 21st October 2024

Home Learning Project: Why is Dagenham a good place to live?

For your first Home Learning Project, we would like you to create a poster which answers the following question: Why is Dagenham a good place to live?

You could discuss areas such as:

- The number of services available (shops, transport links etc.)
- The number of people in the local area
- The places of worship
- The number of houses
- Could you draw or take a picture of where you live in Dagenham?
- Find out about the several types of houses in Dagenham (semi-detached, terraced etc.)
- Could you draw or take some photos of buildings within Dagenham?
- What do you enjoy the most about living and coming to school in Dagenham?

Task 2: Eastbrookend Country Park

With your family, take a trip to Eastbrookend Country Park (The Chase, Dagenham, Romford RM7 0SS)

Explore the country park and draw 10 **different** things that you can find in the area. For example: trees, a lake, playground, visitor centre etc.

Once you have visited the park, compare Eastbrookend Country Park to the area you live in. What are the similarities between the two areas? How are they different?
