John Perry Primary School

‘Achieving Our Goals Together’

PE and Sport Premium 2024-2025

Introduction

Schools receive PE and Sport Premium funding based on the number of pupils in Years 1 to 6. At John Perry Primary School, we have been allocated £21,090 for this financial year.

The PE and Sports Premium should be used to:

- develop or add to the PE, physical activity and sport activities that your school already offers
- build capacity and capability within the school to ensure that improvements made now will benefit pupil joining the school in future years

For more information about the P.E. and Sport Premium, please visit this website: https://www.gov.uk/guidance/pe-and-sport-premium-for-primary-schools

At John Perry Primary, we are committed to providing high quality P.E for all pupils. We recognise that an outstanding P.E Curriculum and an extensive range of choice of extra- curricular sporting opportunities have an influence on outcomes across a number of areas of school life.

Review of last year 2023/2024

What went well?	**How do you know?**	**What didn't go well?**	**How do you know?**
- We used the funds to pay for external provision from Premier Education - We used the premium to extend our offer of after school clubs and to fund places for pupils entitled to PPG, pupils with special needs and vulnerable pupils	- More extra-curricular clubs offered to all children. The new range of after school clubs was welcome by parents/carers and children. With the exception of NFL, all places were filled.	-The relaunch of the NFL extra-curricular club	Children selected enjoyed the extra PE lessons (Pupil Voice).

	- Selected children benefited from extra PE lessons. This also contributed to improve their wellbeing and fitness. - More opportunities for vulnerable children to take part in sports e.g., PPG/SEND, through additional PE in the curriculum.	- Some specialist sports equipment was not available when needed - More opportunities for staff CPD from specialists and PE lead	- This was reported by staff - Some gaps in teachers' pedagogy were found through monitoring
- Funds used to improve the quality of education in PE including swimming	Our 2024-2025 swimming data was better than in the previous year. PE lessons were better resourced.		
- Funds used to improve profile of PE across the school e.g. at lunchtimes, including maintenance of markings on the playground	- More resources were bought for children throughout the school in order to enhance the provision offered.		
- Funds used to buy into borough Sports Competition program offered by specialist company.	Games can be played effectively.		

Funds used to subsidise PPG children for extra-curricular sports clubs	Children have the opportunity to participate in borough-wide competitions. Equal opportunities for all.
