9th September 2025

Dear Parents and Carers,

John Perry Primary School will be raising awareness of people living with a genetic condition by taking part in this year's **Jeans for Genes event on Friday 19th September.**

1 in 25 children has a genetic disorder that makes their life extremely difficult. That is the equivalent of one child in every class in our school. By wearing our jeans and donating to this charity, we can change the lives of these children.

All children and staff are invited to wear their jeans on **Friday 19th September**. We would like everyone to take part, so please encourage your child to come into school on the day wearing their smart jeans with their school top.

Jeans for Genes is the annual fundraising event for the genetic condition community. If you would like to make a donation online, please visit https://www.jeansforgenes.org/pay-in-your-money Please do not send any cash into school.

If you would like to find out more about the Jeans for Genes campaign and the lasting impact your Jeans for Genes donations make, please visit their website at https://www.jeansforgenes.org/

You will be pleased to know that our Words of the Week for the week beginning 15th September are Respectful and Tolerant, in line with our School Values and British Values, as we believe it is important to teach our pupils to value and tolerate every member of our society and treat everyone with equal respect.

We look forward to seeing our children and staff wearing jeans on Friday 19th September in support of this event.

Yours sincerely,

Ms M. Cabero
Head of School
