## Cave Art

During Prehistoric Britain, people used natural resources (like berry juice and mud) to paint pictures on cave walls. Create your own cave art work in your garden or at the park. Take a picture or draw what you created.

## Animals Including Humans

To be healthy, we need to eat a balanced diet. Design a menu for a restaurant that includes healthy meals. If you can, ask an adult to help you make one of the dishes you have designed!

## Prehistoric Britain

During the Stone Age, the winters were freezing – much colder than they are now! Use books or the internet to research how people survived the harsh weather and create a leaflet to show what you have found out.

Year 3 Autumn 1

Home Learning Topics:

- Prehistoric Britain
- Animals Including Humans
- Cave Art
- Christianity and Buddhism
- UNICEF Rights of the Child

These are due on Monday 19th October, 2026 and will be presented to the class.

## UNICEF Rights of the Child

ARTICLE 31; Every child has the right to relax, play and take part in activities they enjoy.

1. Design a new playground that you think children your age would enjoy.
2. Create a new team game that you could play at school.

*Discuss; How can adults make sure you have the right to play?*

## Christianity and Buddhism (Oracy Task)

In RE, we will be learning about special stories that Jesus and Buddha told and what they can teach believers. Discuss with someone at home any stories you have read that have been special and what they taught you.

## Free Days Out Linked to Our Learning

- Visit the local library and borrow some books about our new learning topics.
- The Grant Museum of Zoology has real animal and human skeletons on display.
- The National Gallery has lots of Christian story art.
- Visit a park with a free tennis court and have a look at how the court is laid out. You could even have a game if you have the equipment!
