D&T

- Design a sign that could be held up at a women's rights protest
- Research a bird of your choice and create a 3D model of it
- Design an outfit that you would wear to attend a women's rights protest

Literacy

- Create a persuasive letter about why women should be treated equally
- Invent a plant or an animal. Write a report of how your new creation will survive
- Write a newspaper report on the discovery of a new species (this can be made up)
- Write a narrative set in Dagenham
- Suffragists or suffragettes –which method was best? Write an argument showing your point of view.

Computing

- Research and create a poster on Charles Darwin or Alfred Wallace
  Can you compare the two scientists?
- Research how a particular animal has evolved into the animal we know today
- Research and create a fact file on a famous suffragette
- Look into the Ford Factory in Dagenham – what fun facts can you discover?

Year 6

Autumn 2 Home Learning project

To be returned by

Monday 14th December

Science - Evolution and Inheritance

History - Dagenham

English – Women's rights

Art - Drawing

UNICEF Rights of the Child

- What Rights link with the women's rights that we are learning about?
- Design a poster that promotes women's rights and link it to the Rights of the Child.

Art

- Use a mirror and use careful observation to draw a self-portrait or draw someone you live with
- Make up and draw your own creature that is adapted to live in an extreme habitat
- Design a poster that a suffragette or suffragist may have used to protest with
- What do you wish they had in Dagenham? Draw something you would like to see e.g. a trampoline park

Free Days Out Linked to Our Learning

- Visit your local library and find information books on the topics above
- Practise your throwing and catching skills
- Find something in nature that inspires you and sketch, colour or paint what you see
