Addition and Subtraction

Create a poster showing different strategies you can use to solve addition and subtraction calculations. Your poster should include: a number line, using objects or pictures, partitioning numbers and number bonds.

Celebrating Differences

Create a "Celebrating Differences" booklet showing how everyone is unique and special. Include: What makes us different? What makes us similar? How can we be kind and respectful?

Animals including Humans

Make a healthy eating plate to show a balanced diet. Divide a paper plate into sections and fill it with drawings or pictures of foods.

Year 2, Autumn 2

Home Learning Topics:

- Addition and Subtraction
- Celebrating differences
- Animals including Humans
- Guy Fawkes and the Gunpowder Plot
- UNICEF Rights of the Child

These are **due** on Monday 14th December, 2026 and will be presented to the class.

UNICEF Rights of the Child

Create a poster, leaflet, or short presentation explaining:

- What the right means
- Why it is important
- How children and adults can help respect this right at home, in school, and in the community

Guy Fawkes and the Gunpowder Plot

Create a timeline showing the key events of the Gunpowder Plot in the order they happened. Include important dates, people and events, from the plotters' original plan to the discovery of the plot. Use drawings, pictures and short captions to bring your timeline to life!

Free Days Out Linked to Our Learning

Foxburrows Farm (Hainault Forest) See farm animals and discuss their offspring, food, habitats and basic needs. Compare what young animals need to grow with what human babies need. Make a list of the animals you see on the farm. What do they eat? Which animals have fur, feathers or wool?

Houses of Parliament (Westminster) Visit the outside of the Houses of Parliament to see the building the plotters intended to blow up in 1605. How do you think this building might look different today, compared to 1605?
